

2009 4-H Paws N Pals Dog Retreat Workshop Registration Form

Please mark the following workshops in numerical order starting with #1 as workshops you are most interested in to #16 as workshops you are the least interested in. Registration for seminars and workshops is on a first registered-first assigned basis. The longer you wait to register, the less likely that you will get your top choices for your sessions. Be sure to return your Dog Retreat Workshop Form with your registration to 4-H Paws N Pals. Each participant's schedule will be handed out at Check-In on Friday, August 14th.

- | | |
